

Mid-West University Tila Karnali Multiple Campus, Kalikot

Empowering Education, Transforming Lives...

Nestled in Kalikot, Karnali Province, TilaKarnali Multiple Campus (TKMC) stands as a beacon of hope despite geographical and economic challenges. Established in 2062 BS through the collective efforts of local intellectuals, social workers, and leaders, TKMC emerged from the convergence of the Tila and Karnali rivers—a symbol of unity and progress.

Initially affiliated to Tribhuvan University, we joined Mid-West University in 2075 BS as a constituent campus of the district and has since expanded its offerings to include B.Ed. and M.Ed. programs. Serving students from Kalikot and neighboring districts, we provide high-quality, affordable education in a region long deprived of such opportunities. Our campus is more than an educational institution; it is a community endeavor. Supported by contributions from all corners of the district, we thrive on the dedication of its students, faculty, and local residents. We offer scholarships to marginalized and economically disadvantaged students, ensuring inclusivity and equal access to education.

With required facilities, a supportive learning environment, and a commitment to academic excellence, we prepare students for future challenges. Our experienced teachers and friendly administration are devoted to nurturing both academic and personal growth, aiming to cultivate future leaders and professionals. We claim it is a place where your bright academic future begins, and become part of a community dedicated to making a meaningful impact.

Vision, Mission, Goals and Objectives of the Campus

Vision:

Achieve excellence in quality education through sustainable academic, administrative, and financial development.

Mission:

- Establish the campus as a center for quality education.
- Enhance IT and library facilities.
- Foster professionalism through research and innovation.

- Launch employment-oriented programs.
- Provide skill development training.
- Organize exposure visits.
- Increase student enrollment and pass rates.
- Enhance inclusion of marginalized groups.
- Boost student participation in campus activities

Message from the Campus Chief

Dear Prospective Students,

It is with great enthusiasm that I welcome you to Tila Karnali Multiple Campus. It is my privilege to share our observation that hundreds of our graduates have been contributing in diverse sectors of the nation in general and Kalikot district in particular. As the Campus Chief, I am proud to lead an institution that stands at the forefront of educational excellence in the Kalikot district. Our mission is to provide an empowering education that not only equips students with academic knowledge but also instills in them the values of leadership, integrity, and social responsibility.

At TKMC, we offer a range of programs designed to cater to your educational and career aspirations. Our dedicated faculty members and committed administrative staffs ensure that you receive the best possible education and support throughout your academic journey. We are excited to be a part of your educational journey and look forward to helping you achieve your goals.

Warm regards,

Mr. Rudra Prasad Sapkota

Message from the Head of Department (HoD)

Dear Students,

As the Head of Department, I am thrilled to introduce you to our academic programs at TilaKarnali Multiple Campus. Our department is committed to providing an education that is both comprehensive and innovative. We focus on equipping our students with the knowledge, skills, and critical thinking necessary to excel in their chosen fields.

Our faculty members are experienced professionals who bring a wealth of knowledge and practical experience to the classroom. We emphasize interactive learning, research, and real-world applications to ensure that our students are well-prepared for the challenges of their respective professions. I encourage you to explore the opportunities we offer and to join us in making a difference through education.

Best regards,

Mr. Deepak Thapa

Message from the Coordinator of Department Research Committee

Dear Aspirants,

Research and innovation are at the heart of academic excellence, and at Tila Karnali Multiple Campus, we are committed to fostering a research-oriented mindset among our faculties and students. As the Coordinator of the Department Research Committee, I am excited to share that our campus provides numerous opportunities for engaging in meaningful research projects.

We believe that research is not only about generating new knowledge but also about applying it to solve real-world problems. Our research initiatives are designed to encourage critical thinking, creativity, and collaboration. We provide support and resources to help students pursue their research interests and contribute to their fields of study.

We look forward to welcoming you to TKMC and supporting you in your research endeavors.

Sincerely,

Mr. Dilli Bahadur Singh
