ABOUT ISMT

International School of Management and Technology (ISMT) offers internationally recognized British Degrees for those who seek a most affordable route to get internationally recognized qualifications. The courses are delivered through BTEC HND first two years leading to the third or final year of **BSc.IT, BBA & BHM*** from the UK University. Indeed, ISMT is committed to delivering internationally recognized quality education in Nepal adopting core local requirements and values.

Our ultimate aim of education is to develop the abilities in students to produce the results they desire most and create values for the society. Our innovative learners centered teaching approach helps students develop the skills and aptitudes to change their life, shape their perception, think out of the box, manage problems and make things work one way or the other.

Moreover, **ISMT** endeavors to reveal the three most desirable qualities that modern corporations are seeking in university graduates-communication skill, interpersonal skill and initiatives. Thus, **ISMT**, distinctly, aims to engage all students with these key professional concerns by providing them with the learning opportunities and extensive resources.

If you have big dreams, want to enhance your career in this highly competitive world, are highly driven, want to complete graduate from Australia, USA, UK, Canada or from any other first world countries then **ISMT** can definitely help you accomplish your aims. Thus, you are cordially invited to explore **ISMT**'s academic programmes and its enriching learning environment and to discuss your needs with its dedicated team.

Vision

A globally respected academic institute that endorses noble professional practices in Nepal and in South Asia by creating new frontiers and developing "ethical", dependable, entrepreneurial and socially sensitive leader-managers, educators and IT professionals committed to producing excellence results.

Mission

To create a sustainable education base through the pursuit of learning and developing professionalism that will create a competitive edge to perform at a Global Level.

**Subject to approval*

Why Study at ISMT

The changed world of the 21st century has a dire need for market and industry focused education. Today the employers can choose employees from across the world, it is clear that the future competitiveness of students depends on the quality of education they receive.

Considering these realities, ISMT is providing internationally recognized BTEC HND programmes leading to Bachelor's degrees. The same courses are taught in Colleges and Universities in UK and in other 173 countries. It is proven that these qualifications raise the knowledge, skills and attitudes of its graduates so that they stand at the front line in the competitive market.

Further, there are several visible reasons to study at ISMT college

- ISMT is developing a placement cell that will help its graduates for placement. They will be equipped with knowledge, skills and attitudes that the corporate are looking for. For example; there are many students currently taking their internship experience working in big hotels in China. Students from IT faculties are involved in different IT related companies.

- The college has in its resource pool of (overseas) lecturers, entrepreneurs, professionals and visiting professors who bring with them a wealth of experience backed up with academic excellence.
- The college provides all the resources' such as libraries, E-library, computer labs and sport facilities.
- Most importantly, the faculty members are also selected from highly qualified subject experts, gifted lecturers with an invaluable fusion of teaching practice and current professional experience in relevant subject areas.

By default, we are conscious of the demands and the challenges that the global market is placing on graduates and we are committed to responding to these challenges by delivering cost-effective, relevant and internationally recognized academic programmes. Certainly, receiving a qualification from ISMT offers fantastic opportunities in the growing and exciting corporate world.

College Facilities

- ISMT is centrally located and easily accessible from all corners of the city and neighboring districts.
- The classrooms are air-conditioned and equipped with comfortable furniture, digital projectors and interactive smart boards.
- ISMT has a sport ground and enough parking space for its students and visitors
- The college contains of well equipped IT Labs, Students Lounge, a canteen having capacity of accommodating about hundred students at a time and a well managed library and resource center.

- The College endeavors to extend as much support as possible to our students such as we provide additional tutorial support, revision sessions and repeated classes on request.
- We also provide soft skills trainings and mentoring for the overall development of our graduates.
- Wireless access throughout the college premises.

Entry Requirement

- Complete higher secondary (10+2)/ A level or equivalent
- A good command in English Language

BBA

BBA at ISMT is delivered through HND in the first two years and final year from the University. The Degree gives an extensive foundation in management, marketing, finance, operations and marketing in the digital lead world. The course prepares students to acquire both knowledge and soft skills to deal with complex, uncertain and dynamic situations that they are likely to experience in different business environments and contexts. The course provides you with the opportunity to engage with a range of contemporary management issues and themes and enables you to apply such learning through a range of real business scenarios, live case studies and collaborative activities.

Importantly, students who have completed two years from ISMT can have their credits transferred to many universities in Australia, USA, UK and many more and complete their final year or they can complete the degree from Nepal.

University of New England (UNE) is located at Armidale, New South Wales and has a history of over 60 years. It offers over 200 undergraduate and postgraduate courses to domestic and international students. The University is home to students from 80 different nationalities. It has plenty of high-end infrastructure and amenities as well as sports facilities. It is the only one Australian Public University awarded the maximum 5 stars for overall experience in 13 years in a row.

The University encourages learning on a global scale through its partnerships with other institutes. It also offers opportunities to students in agreement with certain institutes worldwide. In addition, UNE offers other necessities and resources required by students for their education.

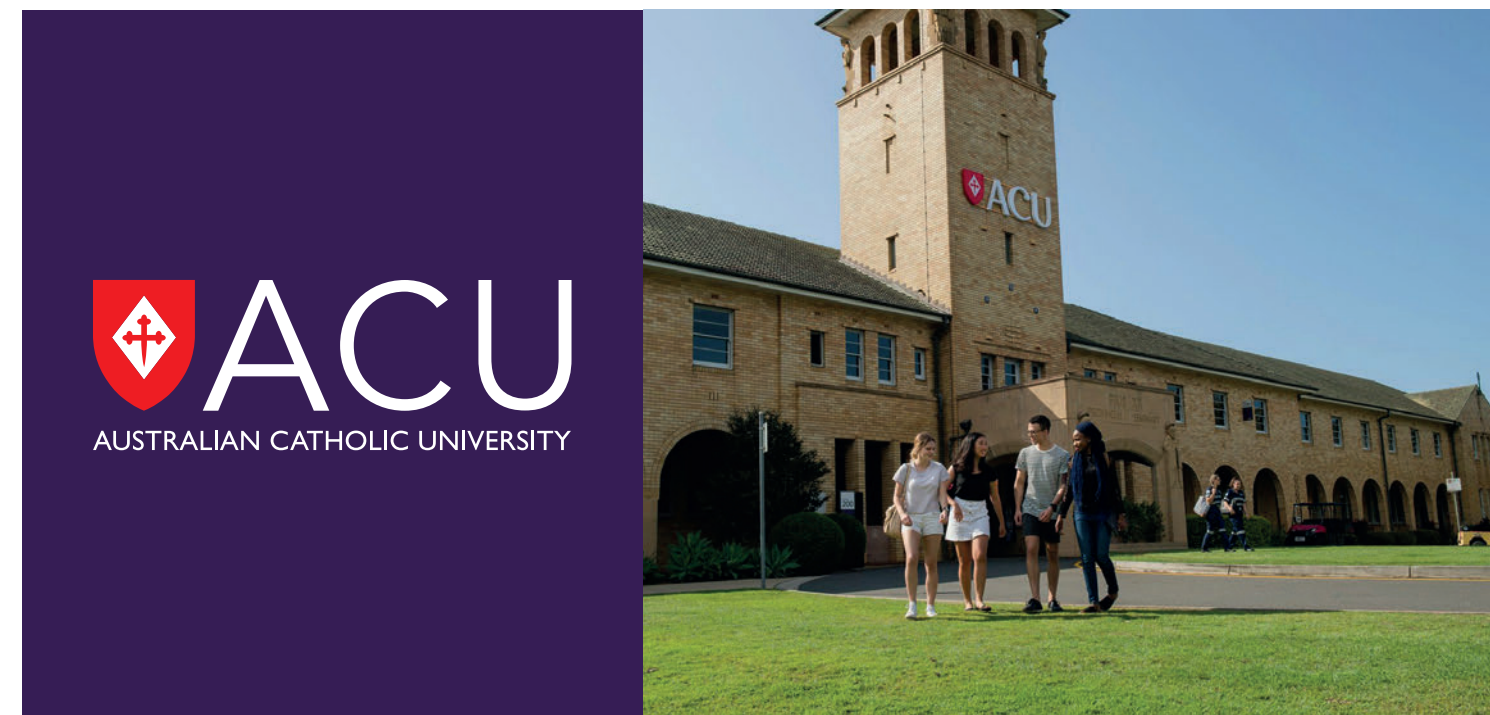

Spread over an area of 74 hectares in Armidale, New South Wales, Australia, the UNE offers lots of opportunities for its students. The students can experience the best of both worlds – an urban living experience in a rural setting. Students can access different recreation facilities while living in Armidale and there are several reasonably priced accommodation options available too.

International students can benefit from the University's exchange study options, which let them travel to other parts of the world, for a year.

Australian Catholic University (ACU) is a public university in Australia with seven campuses across Australia in cities of Adelaide, Ballarat, Brisbane, Canberra, Melbourne and Sydney (North Sydney and Strathfield). The university also maintains a campus in Rome, Italy.

ACU has a wide range of institutes and centers that offers four faculties; Education and Arts, Health Sciences, Law and Business. The faculty of Law and Business and Information Technology in ACU offers various programs. The university has been ranked in the top 3% of all universities worldwide and ranked in the top 80 in the Asia Pacific Region.

In 2015, ACU was named The Most Improved Institution in the country by the Australian Research Council in its national assessment of research quality, the Excellence in Research for Australia (ERA). In the results, ACU is ranked on 21st in the "excellence index" ranking. The university also achieved several scores of five, the highest score possible, in the ERA.

ACU at a glance

Take a look at the numbers that tell the ACU story.

- 34,834 students enrolled in 2018.
- More than 100,000 alumni(2019)
- 4,601 international students enrolled from 103 countries from across the globe.
- More than 200 international partners
- 1,000 ACU students have studies at Rome campus, Italy.
- More than 25% ACU domestic undergraduate students study abroad(2017)
- 91% of ACU domestic graduates employed in 2018.

Testimonials

"When I reflect the duration of my study at ISMT, I conclude that the experience not only made me a better student but also prepared me in unpredictable ways for my career. Incredibly supportive lecturers, staff and classmates challenged me to discover a new version of myself I didn't know I had. It was a wonderful time in my life and the best educational experience I have had."

- **Bijay Upreti** (ISMT Batch Topper in IT 2016)

"Time spent in ISMT counts as period of my personal, social-intellectual growth. Not only did I receive valuable knowledge I also gained everlasting friendships, good will and socio-professional skills. The care and teaching methodologies here has shaped my knowledge and skills and piqued my habit for learning. These inspirations will always be reflected in my works and future endeavors."

- **Kushma Bhusal** (Bsc. IT Graduate, 2015)
Placed In: Mega Bank Nepal as a System Administrator

"I have finished my Master in Professional Accounting (MPA) from Australian Catholic University with a distinction from the major. Recently working here as a marketing and admission manager for the Brainstorm Education Consultants based in Surry Hills, Sydney. I still remember the first insights that I got in from my respected principal Dhruva Babu Joshi "Think beyond the Box" in my orientation classes. That was simply the quote, but for me it was the turning point and real charisma that motivated me for my corporate life. I would like to appreciate all the academic professionals and support staff at ISMT for putting up all the efforts and gratitude to groom us and make us corporate professionals. Thank you ISMT for being the best to nurture me and aspire me to have a meaningful life."

- **Aakash Joshi** (BBA Graduate, 2012)
Placed In: Surry Hills, Sydney
As Marketing & Admission Manager

"As I completed my plus two graduation, I was in dilemma about choosing best college to make my future in IT. In course of searching best college & subject of my choice, I found ISMT College that offers British Degrees BBA, BSc.IT and BHM. As I was keen on to study IT, I got the subject of my choice here. The most important thing about this college is that there are highly qualified teachers and the degree I achieve here is recognized across the world. Additionally, there is ample of resources such as libraries, E-library, computer labs and sport facilities. I am glad that I am studying at ISMT College and truly believe it helps me to grab a skill and knowledge that is necessary in coming days."

- **Barsha Pokharel** (Currently studying BSc IT)

"I must say ISMT College is the best IT College in our country. With qualified and generous teachers having real-time industry working experience, individually caring environment, exceptionally supportive faculty staff and a committed college team creating professional standards through its education. I really found ISMT College a smart choice to study IT. What really fascinated me to study IT is its industry sought syllabus and courses. Grabbing its premium opportunity that transfers BTEC HND credits at The University of Newcastle, Australia where I am studying the final year in Bachelor of Information Technology."

- **Deepak Subedi** (transferred Credits to The University of Newcastle, Australia)

"Information technology isn't just a subject you are studying, it becomes your lifestyle here at ISMT. I choose to learn this course in ISMT because it provides an internationally renowned certificate which has been known to prepare individuals capable of tackling a very strict marketplace and excelling in whichever part of Information Technology one might choose. The excellent teachers and friendly staff makes studying at ISMT always interesting and never boring. Thanks to ISMT which enabled me and helped me to directly entry after my BSc.IT to PhD programme in Computing at Nova Southeastern University, Florida, USA"

- **Niriksha Regmi**
(PhD scholar at Nova Southeastern University, Florida, USA)

Internship

"I can positively say ISMT College has made me a better person. It has helped me develop a positive attitude towards my studies and discover more about myself. Teachers are very caring and interested in students' well-being. They make sure every class is fun, educational and interactive. ISMT guided and helped me to transfer my Credit at the Best College where I am completing my BSc IT degree."

- **Ankit Khanal** BSc IT (Transferred Credits to the Southern Cross University, Australia)

"ISMT has been ideal and learning network for me as I experience something new every other day because of collaborative exertion of all the instructors with a practical methodology in study. Currently I am studying BBA second year at ISMT, when I complete second year, satisfying door will open for me to transfer credits to third year of Bachelor's Degree in Australia and UK's top rated colleges and Universities. I am grateful to the whole team of ISMT for garnering industrial based learning approach and playing the role of guider deliberately in terms of enhancing my wisdom, attitude and aptitude in every spectrum. For that reason, I feel exceptionally honored to call myself as a part of this prestigious institution and recommend to those who are seeking for the best business institution in order to access internationally recognized British degree at ISMT."

- **Bishal Singh** (Currently studying BBA 2nd Year)

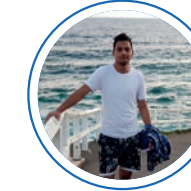

"I have to thank ISMT and its staffs for providing me with proper guidance and for their practical approach towards education. The degree has helped me open up opportunities by being able to transfer to The University of Newcastle, Australia where I will be completing my Bachelor's Degree and MBA in two and half years. Altogether I will be completing my MBA in Hospitality in four and half years after my +2. I got this opportunity only because I decided to study at ISMT. With this personal reference, I can confidently recommend ISMT to all +2 graduates to continue their higher education at ISMT to explore the best opportunity."

- **Niraj Thapaliya** BHM (Transferred credits The University of Newcastle, Australia)

"Joining ISMT was the best decision of my life and I had an outstanding experience there. ISMT has offered me skills that helped me acquire a place in the hospitality industry. ISMT has taught me the foundation of this industry and the science behind the products that we use. It has broadened my view of this industry and has taught me about professionalism and organization. I am glad I studied there and am thankful to the team of ISMT."

- **Abhishar Parajuli**, Housekeeping Supervisor Road Al Murooj Hotel, Dubai.

"ISMT, I would say is a mentor and guidance for me during my study days and in my career phase where I had no idea on what and how to do next. The credit transfer facility helped me to get my study here in Australia and achieve Degree from world renowned university. I would proudly say that ISMT has made me what I am today. I learned life lesson of learning and growing. I am grateful to ISMT family for supporting me throughout."

- **Prashant Bhandari** BHM (transferred Credits to The University of Newcastle, Australia)

"We are grateful to ISMT for all those opportunities, platform and wonderful learning experience. ISMT has pioneer and most demanded teaching lecturers with experience in same field. ISMT has also provided management focused and practical based education with greater industrial exposure opportunities. ISMT has injected us with skills that are modeled, taught expected and celebrated in everyday working industry. Consider HM program at ISMT as quality never says sorry here."

- **Saroj Kharel and Anjan Acharya** BHM (Intern Trainee at Taj Hotel and Hotel Movenpick, Dubai, UAE)

"What can I say? For sure International School of Management and Technology (ISMT) is one of the exceptional college that I am studying in. The teachers are friendly and I have superb classmates. It offers internationally recognized British Degree with low cost fees than other international colleges. After completing two Years right here in ISMT, I can switch my credit to other universities like New Castle and Southern Cross and also can go to the UK, USA for the completion of Bachelor degree. I feel blessed that living in a home country, I'm able to study and match the international level of education. I'm thankful to everyone from ISMT College"

- **Ranjita Basnet** (currently studying BBA 2nd Year)

"The University of Newcastle, Australia has been the most welcoming University. I felt right at home in International House. During my academic third year I got an opportunity to work on different projects as an IT officer. It has opened up an entire new world for me. Thank you ISMT for giving me such a big opportunity."

- **Mr. Santosh Jayswal**, BSc IT (Credit Transferred to the University of Newcastle, Australia)
