Dear Embassy of Poland in China,

Respected Mr. Paweł Chocimski

We are honored to extend our sincere gratitude for your ongoing support in fostering international educational exchange and facilitating the recruitment of outstanding students to Chinese universities.

As the first western university in China, Tianjin University is a prestigious institution designated under the "985 Project" and "111 Project," and is proudly rated among the country's "Double First-Class" Initiative Class A universities. Committed to open education and global collaboration, Tianjin University strives to cultivate high-caliber talents with international perspectives and promote cutting-edge research across disciplines.

We are pleased to introduce the 2024 Chinese Government Scholarship High Level Postgraduate Program (Type B) at Tianjin University. This prestigious scholarship aims to attract exceptional international students to pursue postgraduate studies in a wide range of fields, including engineering, sciences, management, humanities, and social sciences. Currently, Tianjin University offers 87 bachelor programs, 108 master programs, and 125 doctoral programs for international applicants, with 3 undergraduate programs, 29 master programs, and 92 doctoral programs delivered entirely in English.

Given your esteemed role in supporting educational initiatives and guiding students toward academic opportunities in China, we kindly request your assistance in promoting this scholarship program to qualified candidates in your country, particularly those with backgrounds in engineering, management, or related disciplines.

To facilitate this collaboration, Tianjin University is pleased to offer the following support:

Personalized Admission Assistance: A dedicated consultation channel will be established for students recommended by your embassy, ensuring priority review of applications, one-on-one guidance, and provisional admission letters for eligible candidates.

Promotional Support: We are available to organize online information sessions or provide customized promotional materials in Chinese, English, or your official language, as needed.

Attached please find detailed application materials for your reference. Should you require further information or wish to discuss collaboration specifics, please do not hesitate to contact us.

We deeply appreciate your continued guidance and support and look forward to working together to provide exceptional educational opportunities for talented students worldwide.

Yours sincerely,

School of International Education

Tianjin University
