Institutional Overview

Established in 2048 B.S. by social activists and academicians of this region with an aim to impart quality assured education in affordable cost, Siddhartha Gautam Buddha Campus is one of the leading campuses of Lumbini Province and has become a niche for both quality and public concern. Located at the heart of Butwal Sub-Metropolitan City, SGBC has made significant progress in extending educational programs in different faculties and has been serving the needs of the students from different classes and regions of the nation. Along with the paradigm shift, the campus has updated itself in terms of its overall quality. Getting accredited by UGC Nepal as QAA certified campus is an assertion of its quality. Strategically, the campus has mapped up its goals and vision and oriented towards their accomplishment.

With the QAA accreditation, the campus has executed its historical responsibilities and has entered new stage of its evolution with even more opportunities and challenges. Being a community based campus, it has also expanded its social relationship with different educational, financial, medical and corporate institutions and has signed MoU with them. This attempt has fostered its image in the society and has opened up many job opportunities for the students. The campus aims to develop itself as an ultimate destination for bright scholars organizing different skill development trainings for both teachers and students, conducting scheduled extra-curricular and co-curricular activities, establishing link with society and obtaining grants from donor agencies.

Vision

To be established as an excellent academic institution through the sustained efforts of lifelong learning, research development, critical thinking and inclusive education for meaningful contributions to the development of local and national community.

Mission

Develop the Campus as a leading academic institution ensuring the quality education and research activities through competent and dedicated human resources at affordable cost to the marginalized and economically deprived students improving their quality of life for serving local and national community.

Strategic Goals

- ❖ Qualify for re-accreditation by maintaining the quality standard as recommended by UGC Nepal
- ❖ Improve excellence in education developing the environment conducive to teaching and learning
- ❖ Ensure long term sustainability of campus through autonomous program
- ❖ Promote the institution as research centre through academic research activities
- ❖ Develop well-equipped physical infrastructure required to accommodate the changing needs
- ❖ Build positive image of the institution by fostering the harmonious relationship with stakeholders
- ❖ Ensure long term sustainability of the institution through autonomous program

Message from Chairperson

It's a matter of immense joy to welcome you all to the sound and inspiring environment of Siddhartha Gautam Buddha Campus. Established in 2048 BS, SGBC has been leaping forward relentlessly serving as an academic abode for thousands of students across the nation every year. The role played by the campus in educating the mass students in affordable cost has been noteworthy. This responsibility has been felt even more seriously after it has been certified as QAA accredited campus.

Finally, I would like to assure all the prospective students that the inspiring environment, dedicated faculty members and well equipped infra structure of SGBC contribute significantly to guarantee your academic pursuit.

Nirmal Prasad Lacoul

Message from Campus Chief

I would be immensely pleased to welcome you all to the academic premises of Siddhartha Gautam Buddha Campus. Since its establishment, it has been catering the needs of thousands of students offering them quality education at affordable cost. The campus has made a paradigm shift in term of infra-structure, faculty empowerment and teaching-learning methodologies especially after its accreditation as QAA certified campus.

In term of systematizing the overall components of the campus, we have made a sweeping leap indeed. This succeeding success is due to the perseverance of our students, dedication of the teaching faculties, unshakable trust of the guardians and apt vision of the campus management committee. I would like to assure you of the best of everything that you are looking for in higher level education. I wish you all the best for your academic career ahead.

Krishna Prasad Sharma
